

J-1 Orientation

Learn about your J-1.

Learn the difference between a J-1 visa and J-1 status, and your responsibilities in maintaining your status.

Foreign researchers, especially those on the NIH Visiting Program, who have just arrived at the NIH and are in J-1 status, should have already been given a reservation to attend a J-1 Orientation by the DIS. However, if you were unable to attend the workshop on your assigned date, then please contact your Team (or email the DIS) to register for an available session.
