

H-1B Orientation

Learn about your H-1B.

Learn the difference between an H-1B visa and H-1B status, and your responsibilities in maintaining your status.

Foreign researchers, especially those on the NIH Visiting Program, who have just arrived at the NIH in H-1B status, or those who have been at the NIH and have recently changed to H-1B status, should have already been given a reservation to attend an H-1B Orientation by their DIS Team. However, if you were unable to attend the workshop on your assigned date, then please contact your Team (or email the DIS) to register for an available session.

H-1B Orientation Schedule 2017

Year	Month	Date	Day of Week	Time	Location
