Comments:

Refer to Key Contacts for all administrative issues; Cc back-ups on all correspondence, specify lab.

Please note that Michael O'Donnell is the Chief Administrative Officer in the IRP and should not be included on emails to Key Contacts from DIS. Should there be a need to speak with someone other than the Key Contact, you should contact Ms. Deborah McGovern.

The following labs are located in the Biomedical Research Center (BRC), 251 Bayview Boulevard: LMG, OSD, LMBI, LGG, LBN, LNS, LCS, LCI and a portion of TGB

The following labs are located at Harbor Hospital, 3001 S. Hanover Street: Portion of TGB

There are no longer any labs in the Triad building.

NIA has some on-campus locations: LNG & LEPS

***LCMB** and **LI** merged into Laboratory of Molecular Biology and Immunology (**LMBI**) in Oct 2010. **LPC** changed its name to the Laboratory of Behavioral Neuroscience (**LBN**) as well.
