

**Office of Research Services
DIVISION OF INTERNATIONAL SERVICES**

IC DATA SHEET

NATIONAL INSTITUTE ON ALCOHOL ABUSE AND ALCOHOLISM (NIAAA)

Director:	George Koob, Ph.D.
Senior Advisor for International Affairs:	Peggy Murray, Ph.D.
Scientific Director:	George Kunos, M.D., Ph.D.
Deputy Scientific Director:	David Lovinger, Ph.D.
Human Resources (Office in Durham, NC):	Celestine Edwards, Lead HR Specialist Anita Mudgett, Chief, Branch F (Rockville, MD)
Administrative Services Branch:	Erin Manor, Branch Chief Bonnie Ellis, Extramural Section Chief Karen Harrington, Intramural Section Chief
NIAAA Key Contact and B-1 Delegate:	Richard Doucette
B-1 Delegate:	Macy McRae

NIAAA Offices/Divisions/Labs/Branches/Sections

Administrative Services Branch
Clinical Neuroimaging Research Center
Communications and Public Liaison Branch
Division of Epidemiology and Prevention Research
Division of Intramural Clinical and Biological Research
Division of Metabolism and Health Effects
Division of Medical Development
Division of Neuroscience and Behavior
Division of Treatment and Recovery Research
Epidemiology and Biometry Branch
Ethics and Management Analysis Branch
Extramural Project Review Branch
Financial Management Branch
Grants Management Branch
Information Technology Branch
Laboratory for Integrative Neuroscience
Laboratory of Behavioral and Genomic Neuroscience
Laboratory of Cardiovascular Physiology Tissue Injury

Laboratory of Liver Diseases
Laboratory of Membrane Biochemistry and Biophysics
Laboratory of Metabolic Control
Laboratory of Molecular Physiology
Laboratory of Molecular Signaling
Laboratory of Neurogenetics
Laboratory of Neuroimaging
Laboratory of Physiologic Studies
Office of Extramural Activities
Office of Laboratory Animal Science
Office of Resource Management
Office of Science Policy and Communications
Office of the Clinical Director
Office of the Director
Office of the Scientific Director
Science Policy Branch
Section on Brain Electrophysiology and Imaging
Section on Cellular Biophotonics
Section on Clinical Genomics and Experimental Therapeutics
Section on Clinical Psychoneuroendocrinology and Neuropsychopharmacology
Section on Comparative Behavioral Genomics
Section on Human Neurogenetics
Section on Human Psychopharmacology
Section on Molecular Pharmacology and Toxicology
Section on Neuroendocrinology
Section on Neuronal Structure
Section on Nutritional Neuroscience
Section on Synaptic Pharmacology and In Vivo Neural Function
Section on Transmitter Signaling
